

Awards 2022

The deadline to submit your nominations is 21st February 2021

Volunteer of the Year

The Volunteer of the Year award is for volunteers over the age of 25. The award recognizes the efforts and achievement of volunteers who are making/have made significant contributions to their Group, County or Region. The volunteer could have been reliable/committed, gone above and beyond, inspired others, achieved significant personal development or shown innovation.

Young Volunteer of the Year

The Volunteer of the Year award is for volunteers under the age of 25. The award recognizes the efforts and achievement of volunteers who are making/have made significant contributions to their Group, County or Region. The volunteer could have been reliable/committed, gone above and beyond, inspired others, achieved significant personal development or shown innovation.

Participant of the Year

Participant of the Year recognizes participants for their successes within the last 12 months. This could be through their determination within personal development or a success which has benefitted more people than just themselves.

RDA UK Volunteer of the Year

The RDA UK Volunteer of the Year award is for volunteers who have served at a National, Regional or County level. The award recognizes the efforts and achievement of volunteers who are making/have made significant contributions to their County or Region. The volunteer could have driven change, supported Groups within their area or gone above and beyond the requirements of their role in order to improve things for beneficiaries, volunteers and all those involved with RDA.

Horse/Pony of the Year

The horse/pony of the year award recognizes equines who have served for RDA supporting a range of participants. The equine should be fit and in active service. This award celebrates our equines who are active within their Group, including new horses who have made an immediate and significant impact on participants within RDA.
