Arts & Crafts

All classes will now be split junior and senior as per the RDA rules. There is no longer a need to have a relevance to RDA in the art work but must be equestrian themed. Please see the Arts & Crafts rules for full information.

Who can enter?

The Arts & Crafts competition, as part of the RDA National Championships, is always an incredibly popular event – providing a great opportunity for participants to express themselves through art. It is open to all participants of all ages in RDA and gives everyone the chance to take part in the RDA National Championships in some way, and to achieve recognition.

Classes are available, with **junior** and **senior** sections, for both **individual** and **group** artwork, and entries can be made in the form of drawings, paintings, collages, sculptures, textile creations and even photography.

We're always amazed by entrants' creativity and imagination! As in previous years, we'll be offering entry classes for both individual and group artwork, and these can be drawings, paintings, collages, sculptures, textile creations and new for this year, photography. It's a fantastic opportunity to involve families, schools, colleges or care centres, too, as participants are welcome to create their artwork at any time - in RDA sessions, in the classroom or at home.

How do groups take part?

We recommend that groups speak with their Regional Chair as soon as possible for specific dates and deadlines for the regional round of judging, as it will vary from region to region. If you are unsure who your Regional Chair is, please consult the RDA Handbook in the first instance. There should be several copies in your group. If you cannot find this, or are still unsure, please contact RDA National Office on 01926 492915 and press option 2 for the Group Enquiry.

The winners from all classes in the regional rounds will qualify for the finals, which will be judged on Saturday 16th July 2022, at the RDA National Championships at Hartpury College, Gloucestershire. The winners for all Arts & Crafts classes, in places 1st – 6th will be announced on the same day.

Carriage Driving

The 2022 RDA National Championships Carriage Driving competition consists of the Driven Dressage Test 2022 and a Conobstacle course, which will be a cones course interspersed with two obstacles. It will be judged and scored as two phases: Phase 1 – Dressage, and Phase 2 – Conobstacles (overall time, not individual elements).

- The objective of the driven dressage test is to judge the freedom, regularity of paces, harmony, impulsion, suppleness and lightness, ease of movement and correct bending of the horse on the move. Drivers will also be judged on style, accuracy, dress, control of the horse and general condition of their horse, harness and carriage.
- The objective of the Conobstacle course is to drive accurately without knocking balls off the cones, and in the fastest overall time possible. It will test the fitness, obedience and suppleness of the horse, and the skill and competence of the driver.
- In the Conobstacles phase CD Coaches may assist with verbal directions but will be penalised in all classes for using the second set of reins unless on safety grounds.
- Conobstacles must be driven at walk and trot only. Penalties will be awarded for cantering.
- The width of the cones will be 30 cms wider than the standard axle i.e. set at 170cms. Any carriages of non-standard width will have the cones adjusted for them, but you may have to drive at the end of the competition after the standard width carriages have all taken part, so that the arena party do not have to set and re-set the cones more than necessary.

Competition Code of Conduct and Safeguarding Procedures for Competitors, their Carers and Supporters

RDA UK is fully committed to safeguarding and promoting the wellbeing of everyone involved and wants to ensure a positive and enjoyable experience for all. When attending competitions, everyone is expected to abide by the following code of conduct:

- All participants and/or their carers must take responsibility for ensuring they are up to date with the rules, understand and adhere to them.
- All participants, carers and supporters should recognise the valuable contribution made by all officials, who are usually volunteers. They give their time and resources to enable the event to happen.
- All participants, carers and supporters must respect officials and their decisions.
- All officials must treat everyone equally and with dignity.
- All those attending the event should treat others with the same level of respect that they would expect to be shown to themselves.
- Everyone must respect the rights, dignity and worth of all, regardless of age, gender, ability, race, cultural background, religious beliefs or sexual identity.
- Everyone must ensure that inappropriate language or behaviour is challenged.

What to do if you have a concern before, during or after the event:

If anyone has a concern leading up to the event, please either refer to the RDA Group Safeguarding Officer or contact RDA UK's Lead Safeguarding Officer on 01926 492973 / 01926 405969

Any concerns during the event should be reported to the Event Safeguarding Officer - their details will be clearly displayed in the Secretary's Office, Arena 4, Hartpury. In addition, an Event mobile phone number will be available for the duration of the event, including outside of competition hours, for urgent safeguarding issues.

Event Welfare Officers will be present on site at all times and will be clearly identifiable by the distinct tabards they will be wearing.

All concerns raised will be carefully considered and appropriate action will be taken, including, where necessary, removing individual(s) from the venue.

Please note that processes will be in place for swift action in the event of missing or found children or adults at risk at the event, including the immediate emergency lockdown of the site, if required.

Assembly points for lost/found persons will be clearly identified during the event.

Safeguarding Concern Reporting for all at National Championships

If you suspect a child, young person or adult at risk is being abused, they confide in you or someone has a concern, complaint or allegation about a member of staff, a volunteer or about you, **it is your duty to report it**. This is also the case if declarations are made to an RDA volunteer/ staff member about possible poor practice or abuse, even if there is no connection with RDA.

If an individual is at immediate risk of significant harm call 999 and request the police, or phone Social Services. Inform the Safeguarding Lead for the National Championships once you have done this.

If a child or adult at risk has told you they are being abused, you must:

1. Allow the individual to speak without interruption, accepting what is said.
2. If possible, write down what is said, using the actual words spoken to you. This includes the date and time, and then sign the document.
3. Explain that you cannot keep the information secret and must pass it on. If the disclosure is made by an adult, you must ask their consent to pass the information on. If the adult refuses but you feel there is a real risk of abuse, or the adult does not have capacity to consent, you should still pass the information on.
4. Inform the RDA Safeguarding Lead at the event immediately and pass on any notes you have taken. Disclosures are confidential and should only be shared by exception.
5. Should the Safeguarding Lead not be available, the person who received the disclosure should contact the Event Secretary.

If you are concerned about the welfare of an RDA participant or volunteer, or you have concerns about the conduct/poor practice of an adult involved in RDA, including yourself, you must:

1. Inform your Group Safeguarding Officer immediately or the Safeguarding Lead for the event
2. If possible, write down what you have witnessed. Include the date and time, and sign the document
3. Pass any notes you have made to the Group Safeguarding Officer and Safeguarding Lead

If you need further support or are not sure what you should do, you can contact:

RDA National Office: 01926 492915

RDA National Championships Safeguarding mobile ('Back at Base' mobile): TBC – 24 hours a day from the first to the last day of the Championships.

NSPCC: 0808 800 5000 (please note that this is not 24 hours)

Things all volunteers, staff, participants and supporters should consider before, during and after the event:

- Always make sure consent has been obtained before tagging someone in photographs or film on social media (using individuals' names and/or details of their Group or location)
- When travelling to and staying the event (where applicable), always make sure that appropriate safeguarding supervision ratios of volunteers/staff: Participants are maintained, at all times – including in vehicles, outside competition hours and in accommodation or social areas.

All horses travelling to the Championships must have a valid passport from which the horse's identification and vaccination record will be verified. The passport must contain all vaccination details which must be up to date, completely and clearly recorded, signed and stamped by a veterinary surgeon, who is not the owner of the animal. Passports with missing, altered, unclear or incomplete vaccine records will not be accepted and entry to the event may be refused. Before unloading your horse at Hartpury you must report to the Stable Manager and have your horse's identification and vaccination record checked by a vet.

The horse must receive a primary course of two injections against equine influenza given no less than 21 days and no more than 92 days apart (only these first two injections need to be given before the horse may compete). In addition, a first booster injection must be given no less than 150 days and no more than 215 days after the second injection of the primary course. Subsequent booster injections must be given at intervals of not more than one year apart, commencing after the first booster injection. **Those horses attending the RDA National Championships must have received a subsequent vaccination in the preceding 6 months of the event.** None of these injections can be given within the seven days before the day of the competition or entry into competition stables, whichever is sooner.

Due to COVID-19 it is unlikely that we will have a yard to use away from Hartpury College to use when horses vaccinations aren't up to date so please make sure the correct vaccinations are in place.

If your horse has not been vaccinated against equine influenza in accordance with the above requirements, it will not be permitted entry to Hartpury College.

Passports will be kept by the Stable Manager for the duration of the horse's stay. Any questions regarding vaccinations please contact the RDA vet at vet.rda@gmail.com

Medically Fit

Competitors must be medically fit for the activities they undertake. It is the responsibility of all competitors to ensure that they are medically fit to compete. Where necessary their parents/guardians must take this responsibility. The organisers reserve the right to require any competitor to withdraw. The complexity of the event requires strict observation of health and safety guidelines at all times by everyone involved. In order to minimise risk of accidents you are asked to comply with any instructions given by a Steward.

Prohibited Substances

The use of any herbal, natural or chemical product to affect the performance of a horse or pony in a calming (tranquillising) manner is strictly forbidden under RDA rules. The use of such products during competition has important safety and welfare consequences.

The RDA follows the lead of the FEI (Federation Equestre Internationale) and British Equestrian with respect to the medication of horses used in competition. A full list of banned substances can be found on the FEI's Clean Sport website.

The RDA does make certain, specific exceptions to the FEI's list of controlled and banned substances with respect to the population of horses engaging in RDA activities. Some of these medications need to be declared before National Championships in order to be permitted. You will need to fill in a National Championships Medication Declaration Form which is available on the eqjune section of the Myrda website. This then needs to be sent to the Championships Secretary before the event begins.

Medication Control Testing may be carried out at the National Championships. If a horse tests positive for a banned or undeclared substance the horse will be disqualified and the cost of the test will be passed onto the RDA Group/Competitor. This cost is approximately £500 + VAT.

It is strongly recommended that you familiarise yourself with the Prohibited Substances Policy under the National Championships section of the RDA website.

Isolation

To ensure the welfare of participants and all horses on site, horses showing signs of infectious disease may be isolated. If the person responsible for the horse cannot be contacted emergency treatment will be provided as deemed necessary by the attending Veterinary Surgeon.

Once isolated the horse may no longer take part in the competition. Where possible, isolation facilities will be provided on site, however if this is not possible for any reason the RDA Group/person responsible for the horse will be required to make alternative arrangements for the horse to be stabled outside the venue.

Welfare

Horses play a vital role in RDA and their welfare is paramount. Equine welfare will be monitored throughout the competition to ensure horses' welfare needs are being met. This includes freedom from hunger and thirst, discomfort, pain, injury and distress. Any welfare concerns will be investigated, and in the event of a breach sanctions may apply.

Hat Tagging

All hats worn when mounted at the RDA National Championships are required to be checked and tagged to show that they meet the required safety standard. This must be done prior to competition.

Event Photography & Videos

Riders must be aware that they may be photographed and videoed during the National Championships. If you have any strong objections to either being videoed or photographed please complete the tick box on the rider entry form or by completing the relevant form at the event and an arm band will be asked to be worn.

Lost Property

Any lost property found or handed in will be kept by National Office for 3 months then disposed of accordingly.

Health & Safety

The organiser of this event has taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the organisers, officials and stewards.

Liability

Neither the organiser nor any person acting on their behalf accepts any liability for any loss, damage, accident, injury or illness to horses, competitors and spectators or any other persons or property whatsoever.

Cancellation/Abandonment

There may be circumstances where the event has to be postponed, cancelled, abandoned or curtailed as a result of circumstances beyond the control of the organisers, for example as a result of inclement weather making it impractical to hold the event. In such circumstances, once any administration fees have been deducted, entry fees will be refunded. The organisers will have no liability for loss or damage suffered by competitors, horses, spectators or any other persons.

Covid Requirements

All those attending the Championships must undertake a self-assessment for COVID-19 symptoms prior to leaving for the Championships. If they have any symptoms, they must not attend. It is recommended that groups make contact (e.g. text, WhatsApp, phone) to confirm that all attending do not have symptoms prior to their departure.

Groups should undertake a COVID-19 risk assessment for activities needed to attend the Championship, including preparing the horses and equipment and travel to Hartpury.

If anyone develops COVID-19 symptoms during the National Championships, they should notify the Championships Secretary immediately. They will be required to depart the site immediately and return home.

Each group should maintain a list of their participants, coaches and grooms attending the National Championships including approximate time of arrival and departure from Hartpury. These records should be kept for 21 days.

All buildings are currently a masked zone.

Equines

There will be no tying up of equines on the outside of lorries or trailers unless you are tacking up due to health and safety. Day stables are available to purchase if needed.

Horses and ponies must be five years old or over.

Any height of horse or pony is allowed in any class.

In line with standard RDA policy, stallions must not be used in any RDA competitions.

Bitless bridles are not permitted in any discipline.

A horse is only permitted to enter the same class a maximum of 3 times.

If a horse becomes unsettled to the point at which it poses a risk to the rider, helpers, the judge and others in the immediate area the judge has discretion to ask the horse/rider combination to leave the judging area.

Before entering the National Championships please ensure that you consult the RDA weight chart to ensure that your horse/rider combination is suitable. We will be monitoring this at the Championships

RDA has created an excel calculator to help groups work out the maximum carrying weight a horse can carry. Please see the RDA website (Horses and RDA) for further information.

RDA reserves the right to check any rider/horse combination considered not to comply with the limits set out on the weight chart on RDA's website.

If a combination is found to be outside the parameters action may be taken

Ground Rules

Lunging should only take place in designated areas.

Horses may be ridden and schooled for up to 20 minutes per day by the trainer/coach or their nominated representative during competition hours (8am to 6pm). The horse may only be warmed up in permitted saddlery and bits. The competitor only may ride the horse during the 20 minutes immediately before the test.

Walk only outside the arenas.

Only ride on the designated horse walks.

No mounting/riding in the stables, please use the designated mounting area.

It is the sole responsibility of riders/guardians to ensure that at all times while on horseback, they wear correctly fitted protective headgear and that chin straps must be securely fastened.
