## RDA Collection Box Scheme

This scheme is being run to help raise money for your group and support the National Training Centre (NTC). All the money raised will be shared 50/50. It will run until 1 December 2018 and will raise awareness of both your group and the NTC, AND encourage new donors who may not have supported RDA before.

### Some tips for Groups

- Appoint a co-ordinator, someone who is enthusiastic and eager to raise money for your group, perhaps a participant, a parent or a volunteer who cannot offer physical work but really wants to get involved. The scheme will run for 12 months.
- Ensure that the co-ordinator is aware they will be collecting and counting cash. Perhaps they might like to share the job and make it even more fun.
- Ideally, we would like a co-ordinator who is happy to email information but the documentation is available manually if preferred.
- When the co-ordinator is appointed please ask them to complete and return the form so the boxes can be sent out straight away.
- How the group runs this scheme is up to you and your co-ordinator. The boxes are provided FREE OF CHARGE but please be aware that our cost price is £1 each so give them only to those who really want them.
- You may have a set time for the return of the box and use it as one-off collection, OR, you may have an ongoing collection, emptying the boxes when full and giving them back to the collector (or give them a new one) until 1 December 2018 when the scheme finishes.
- You may find that you can target new donors who haven't given to your group before, such as neighbours, family members, participants, schools etc.
